DEATH OF GRANVILLE P. WILSON

Granville Payson Wilson, one of Old Orchard's oldest residents, died Monday evening, Oct. 13, at the home of Mr. and Mrs. W. F. Doughty, Pilgrim House, on Union avenue, following several years of ill health. His age was 88 years, 7 months and 27 days.

Mr. Wilson was born at "Wilson's Mills," Lincoln Plantation in Oxford County, on Feb. 9, 1836. He was descended from Revolutionary War stock, his grandfather having fought in that struggle for American liberty. He was one of ten children, six sons and four daughters, of Captain John M. and Annie (Sweet) Wilson, who were natives of Deering. One brother, Edwin H. Wilson, of Southbridge, Mass., is the only survivor of the immediate family. Another relative is a nephew, March G. Bennett of Boston.

Having attended the small country schools, and receiving most of his education at home and by self application, as limited opportunities for learning were presented, he early manifested an aptitude for literature, and at the age of eighteen years had written several poems that were published at Gorham, N. H. Burial services will be held at Wilson's Mills, Maine.

His father was a competent engineer, and Granville accompanied him, making several important surveys of extensive woodland territories in Maine, New Hampshire and Vermont. Much of his life was passed in the woods surveying, until he first went to Old Orchard, in 1882. For three years he remained there, and was employed as a carpenter until 1885, when he went to Boston and vicinity remaining there for about twenty years. During the past fifteen years, Mr. Wilson made his home at several places in Old Orchard and his last home was with the Doughty family at the Pilgrim House.

He had continued his literary work throughout the long span of years since he was a boy. He published at Old Orchard, June 1918, an attractive and historically interesting volume, "Pioneers of the Magalloway," covering the period, 1820-1904. He also wrote nearly fifty poems and various sketches.

Moore's Won't Leak

Price \$2.50 and up

The principle which makes this pen non-leakable is the method of sealing the reservoir by a hard rubber cone. By the employment of a screw-thread at the mouth of the barrel which engages another thread in the cap the pen is made bottle-tight. It can be carried in any pocket, hand-bag or traveling case without danger of leaking. When you put the stopper in a bottle and a cap to hold it in place, you know it cannot leak. This result expected by theory is proven in practice. The Moore Non-Leakable Pen cannot leak for it is

BETHEL

Bethel Grange

On October 15, Bethel Grange held an all day meeting to commemorate its fiftieth birthday.

There were patrons present from Auburn (Androscoggin County), Errol, N. H., Paris, Norway, Watford, Round Mountain, Mountain View, Pleasant Valley, Bear River, Franklin and Alder River Granges and a long quota of the members of the host Grange. Of the State officers they were fortunate in securing E. H. Libby, Secretary of the Maine State Grange, and A. E. Morse, Chaplain of the Maine State Grange, to be present on this occasion, and we will say that the members of Bethel Grange spared no pains to make all welcome and comfortable.

The forenoon session was presided over by Worthy Master, F. E. Russell, with nearly all officers present. All were glad to have the Chaplain, Sister Mary Goodwin, who has been ill so long, with them again. An especially noted feature was the presence of Sister Loretta Valentine, the only remaining charter member, present. She has been, for a long time, only able to attend infrequently.

All work was disposed of at this session and then a recess was taken for the partaking of a regrettably Grange Feast, after a Divine blessing by Brother Morse. Many old friends met and congratulated each other on being able to be present at this anniversary. When all assembled on the platform at the side of the hall and the local photographer, Mr. Goddard took their pictures, of course all looked pleasant. The program for the afternoon was enjoyable and extremely interesting.

A cordial welcome was extended by Worthy Master Russell, who gave many interesting incidents in connection with Grange life. Brother J. A. Kimball of Round Mountain Grange, Albany, responded and fully expressed the sentiments of all visitors when he congratulated Bethel Grange on its fiftieth birthday and the pleasure it gave to be privileged to be present. Song "The Grange Is Marching On," by all. Sister Loretta Valentine then gave a brief history of the organizing of Bethel Grange. On November 13, 1874, the late Grangeville Kimball being the first Master.

Patee's Hall on Spring Street was the wards purchased and within the last few years extensive repairs and changes have been made in addition to former work and now it stands as a model hall. Sister Valentine's talk was appreciated heartily and really the record gave an incentive to seek greater advancement in the work of the order.

Song, "Hush for Old New England," was sung by the chorus and all members. State Secretary E. H. Libby then gave an address which was listened to with close attention. It was full of encouragement, counsel and a few of Brother Libby's "make you smile" stories. Vocal selections Sister Rita Brink, Bear River Grange, with encore.

Brother A. E. Morse, Chaplain of the Maine State Grange, gave a delightful selection and responded to several inquiries into what he worked some local hits. Song, "State of Maine, My State of Maine," by all and a reading, "The Home, Town Paper," by Sister A. E. Morse. Those responding were Brother Wight Bennett of Bear River, Bennett of Errol N. H., a charter member of that Grange, Guy Bartlett, Alder River, Ellis Davis, Franklin, Adrian Grover, Pleasant Valley, Archie Heath, Mountain View, Round Mountain, Song, "Back to Maine," chorus and audience. There came a delightful feature which made every member feel deeply impressed by its significance. As a token of deep respect and fraternal love, Sister Ruth Carter Poole in behalf of Bethel Grange presented Sister Loretta Valentine, the only remaining charter member, which among other articles nestled a gold piece as a fitting acknowledgment of her being with them and a souvenir of the fiftieth birthday of Bethel Grange. Sister Valentine was totally unaware of what the introductory remarks of the Lecturer meant but she responded with heartfelt thanks to the donors of the loving gift. The closing song was "America."

A word as to the remarks by Sister Valentine; one item was a sugar party at the late Ira Cushman's in the days when the members met at each others' houses. Bonquets adorned the hall and the tables in the dining hall were laden with a bounteous supply and decorated with lovely flowers and ferns. We hope to have just such an enjoyable occasion in 1974.

Oxford County Pomona Grange holds its next meeting with Bethel Grange, Tuesday, November 4. Hurry up and vote and all be there.

The Universalist Society will continue services for a while at least. Mrs. McVail will be with Mrs. Edith Grover for a while. She is a partial invalid and has reached the advanced age of ninety-two years. Her sister, Mrs. Angeline Clark, will take a much needed rest.

Mrs. A. E. K. Grover was a guest, Sunday, of Mr. and Mrs. W. I. Beckler at Errol, N. H. The Rev. Hilda Ives is pastor. Miss Winslow, who teaches in Lovell, was also a guest there.

Mr. and Mrs. E. F. Peterkin were in Peterkin's sister, Mrs. Howard White, and family.

ALBANY

Hunt's Corner and Vicinity

The Circle which was held at the vestry, Oct. 19, was well attended. One of the pleasant features of the Circle this summer has been the renewing of old friendships. Nearly every Circle has brought us some unexpected friend. At this Circle, Mrs. Flora Newcomb and family were present. Mrs. Newcomb was president of the Circle when she lived in town. She was an efficient worker and the Circle prospered under her leadership. We feel grateful to know that she and so many of the old friends still have our success at heart and rejoice that we have had so many pleasant gatherings this summer.

We hope to soon be enjoying our new library as L. J. Andrews and Calvert Fullerton put some shelves in the vestry, Friday, also set up a stove which has been purchased for the vestry kitchen, recently.

Another helpful sermon was preached at Hunt's Corner, Oct. 19, by Mrs. Ives, who has charge of the work there now. Mrs. Ives spoke of the difficult situation that faced some people who loved God and the church, when in the same family was some one who did not. She urged those who did to cleave to God and live such lives that the others would be drawn to Christ through their example.

She also urged all to study God's Word and make as much effort to learn about Spiritual things, as we do about crops and how to make money. If we do, we will reap great Help and Comfort. Fifteen young women from Mrs. Ives' Sunday School class in Portland, came up for the day, sat in a body and led the singing. After the service, the ladies of the Circle served a most sumptuous and delicious meal for the class in the Grange Hall.

The Paint That Will Make Any Floor Beautiful

SOME floors are beautiful in themselves, but all floors, old or new, can be made beautiful with a glossy coat of paint that hides the old, worn surface, or new unattractive surface perfectly.

Devco Floor paint is easy to apply, is spot-resisting, dries rapidly and is hard enough to protect the floor against a great deal of vigorous wear. Its coat is not brittle and does not crack, check or peel, but wears down gradually and evenly to the end.
